

1 NIGHT 1 MISSION

phoenix, arizona
december 9, 2017

Throughout the world, 1.6 billion people live in inadequate shelter – in dirt-floor houses made of scrap wood, tarps, and trash. Your sponsorship will connect guests to these communities and how they can help through interactive exhibits, videos, and speakers. Grow your brand – and your business – by showing that you care not only about your clients, but also for the world around you.

1MISSION is a community development organization giving people in poverty the opportunity to earn a house by serving their community. A 501(c)(3) nonprofit with offices in Phoenix, 1MISSION has programs in Mexico, El Salvador, and Nicaragua. Since 2008, more than 600 families have earned safe, secure homes by serving a combined 100,000+ hours through initiatives like community gardens, health programs, and job skills training. Thanks to a committed group of individuals and institutions that cover U.S. operating costs, 100% of public donations go directly to projects and programs in the field, ensuring even greater impact in the communities we serve.
